Curriculum Details	
Curriculum type : Local	
Curriculum planning	
Comprehensive curriculum, small class teaching and Quality English Language Education at Pre-primary Level Project launched by SCOLAR.	
We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.	
Learning / Teaching approach & activities	
We mix activity teaching with story-telling, supplemented with extended activities and learning projects.	
Assessment of children's learning experiences	
Make children's growth assessment based on on-going observation.	

School Characteristics	
School vision and mission	
In the spirit of Christian love, we help children achieve balanced development in morality, intelligence, physical ability, sociability, aesthetic perception, spirit and emotion so that they will be happy and willing to learn with skills and innovation.	
Support to students	
Parent-child preparation for new students, activities through cooperation with community agencies, P.1 mock activities, attention to students with individual difference and professional psychologists.	
Support to non-Chinese speaking (NCS) students	
Received Grant for Support to NCS Students; appoint additional teaching staff / teaching assistants to support NCS students learning Chinese; facilitate professional development for teachers to develop effective strategies to help NCS students learn Chinese.	
Support to students with special needs	
Joining the On-site Pre-school Rehabilitation Services.
