Curriculum Details	
Curriculum type : Local	
Curriculum planning	
<p>The school designs a wide range diversified learning activities based on the picture books teaching. All curriculum contents are composed according to children's physical and mental development, interests and abilities. 8 intelligences and 9 generic skills are also be integrated into the curriculum. Through merging visual arts, physical movement and music elements into picture books teaching materials, a creative and comprehensive art curriculum can be developed to cultivate children's creativity.</p> <p>We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.</p>	
Learning / Teaching approach & activities	
<p>We provide diversified activities, including drama, exploratory and interactive games, learning projects, experience-based learning, multi-sense learning activities, multi-media teaching and other interesting activities to inspire children. We also have seminars, educational visits, study trips, and different kinds of celebrations to enrich children's knowledge and experience, in order to help them broaden their horizon and develop a correct learning attitude. We also provide different types of training programs to help children reach their full potential and develop their interest in art.</p>	
Assessment of children's learning experiences	
<p>We record children's academic performances and physical and mental development based on on-going observation and make their learning progress into Children's Study Portfolio.</p>	

School Characteristics	
School vision and mission	
<p>We aim on children's moral, intellectual, physical, social ability &amp; aesthetic development by holistic education. We emphasize on cultivating children's morality, multiple intelligence and ability on physical &amp; art development. Let children to exert their potentials through diversified activities. Provide a green, healthy, safe and harmonious campus environment to enable their experience on happy learning. Through healthy refreshment, physical activity and resources cherishing activity to enrich their school life. Provide different extra-curricular activities e.g. Road Safety team &amp; Happy Bee to develop their potentials in various aspects</p>
