We promote arts, drama, music and Montessori education for wholesome development. Provides a learning environment of "Faith, Hope and Love" to live out the spirit of Christ; establishes good living habits and character based on a Biblical standpoint; and helps achieve a balanced development in the spiritual, moral, intellectual, physical, social and aesthetic aspects of education in a healthy, positive and joyful learning campus. Provides a school of continuous learning and development. Provides a campus filled with team spirit, harmony and care to develop children's values and attitudes. Helps each child grow into a person adept at communication, creativity and imagination.</p> <p>We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum.
