Curriculum Details	
Curriculum type : Local	
Curriculum planning	
<p>Our curriculum adopts the Whole Language approach, where courses take a spiral progression from easy levels to more difficult ones to match children's individual abilities and interests. Knowledge is through observation, exploration, thinking and hands-on participations. Every week, there are Bible story day, sometime there are Mixed-age learning Day, English Day, Mandarin Day, Art and Craft Day, etc. for kids to explore and build up new knowledge through these multivariate activities. The course focuses on parent-child participation, such as hand-made design for festival, family day camp, parent-child sport day, parents are invited to participate in the project approach activities together.</p>	
<p>We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.</p>	
Learning / Teaching approach & activities	
<p>We adopt the Activity Approach, group discussions, outdoor learning and project study to develop children's interests and the spirit of exploration. In order to cater for the different elements required for children's growth, we provide programmes like Life Education, the Emotional health and Character development, Civic education, Computer, Mandarin, English, Art and Craft Day, Sharing Day and Mixed-age learning Day for children to gain knowledge under a relaxed and joyous environment.</p>	
Assessment of children's learning experiences	
<p>We carry out continuous observation and assessment based on themes, and record children's learning.</p>	

School Characteristics	
School vision and mission	
<p>We focus on children's development in seven domains, namely spiritual education, ethics, intellect, physique, social skills, aesthetic creativity and the capabilities to lead a positive and happy life. We let children learn happily in a loving education model. To become confident, positive, capable of solving problems and communicative, as well as to believe in God and to love people.</p>	
Support to students	
<p>Free adaptation day for k1 new students. Talks about promoting to primary one (p1) for parents with k3 kindergarten children, primary school visit day, parent-teacher meetings and activities co-organized with nearby primary schools and community organizations.</p>	
Support to non-Chinese speaking (NCS) students	
<p>Received Grant for Support to NCS Students; engage NCS parent volunteers to enhance communication between school and parents; create an enriched language environment for mastery of the Chinese language; create an inclusive learning environment to facilitate students' integration.</p>	
Support to students with special needs	
<p>Joining the On-site Pre-school Rehabilitation Services. Joining the On-site Pre-school Rehabilitation Services & Social Worker Services</p>	
Link with parents	
Parent-teacher association : Yes	
Other activities / communication with parents	
<p>We conduct parent fellowship weekly, home visits and regularly organize parents' day, parents' lesson, observation week, parent-child school outing, family reunion project, parent-child design activities, teacher's calls and interviews, etc. Every year we organize the two-month long parenting seminars called "Parents' World". "DHBCBBKG Parents and Alumnus Association" is to promote the parents of graduates and students interact with each other, and also a platform for contact between the school and the family.</p>
