Curriculum Details	
Curriculum type : Local	
Curriculum planning	
<p>The curriculum emphasizes personal experiences and encourage the interests of children; they are stimulated to learn, think, discover their self, become independent and develop self-directed learning. Development of multiple intelligences is emphasized, supported with various courses on visual art, skipping and physical exercise.</p>	
<p>We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.</p>	
Learning / Teaching approach & activities	
<p>To provide an appropriate environment and integrate the curriculum with theme-based integrated stories and drama-based teaching. Group teaching is conducted to provide ample opportunities for children to express and participate. To broaden the children's horizon through different site visits. To build up children's experiences in planning, action and report through school-based high scope optional interest activities. To adjust according to children's learning abilities and interests.</p>	
Assessment of children's learning experiences	
<p>The learning outcome of each theme is assessed through ongoing observation and record. A profile on the journey of learning is kept for each child as a record of his or her learning life in the kindergarten.</p>	

School Characteristics	
School vision and mission	
<p>This is a kindergarten which glorifies God and the benefits for mankind, founded in line with Jesus Christ's spirit. Sound and quality education and related services are provided to children in the age group of 2-6 and their parents. Children are guided to develop the attitude of constant learning. Balanced development in spiritual, moral, intellectual, physical, communal, and artistic aspects is emphasized so that children are well-prepared for future education.</p>	
Support to students	
<p>Free adaptation period for new students in August. Simulation P.1 courses for K3 students. Happy Bee programme helps to foster children's whole-person development. English and PTH learning is provided as preparations for education at a higher level. Interest activities to develop children's potentials. Home visits for better understanding of children's conditions at home. Support for NCS students.</p>	
Support to non-Chinese speaking (NCS) students	
<p>Received Grant for Support to NCS Students; appoint additional teaching staff / teaching assistants to support NCS students learning Chinese; arrange interpretation / translation services; create an enriched language environment for mastery of the Chinese language; create an inclusive learning environment to facilitate students' integration; facilitate professional development for teachers to develop effective strategies to help NCS students learn Chinese.</p>	
Support to students with special needs	
<p>Joining the On-site Pre-school Rehabilitation Services.</p>
