Curriculum Details	
Curriculum type : Local	
Curriculum planning	
1. Foster good moral character with Christian values; 2. Nurture all-round development; 3. Inspire interest in learning and develop positive attitude towards learning.	
We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.	
Learning / Teaching approach & activities	
It employs Montessori teaching method, dynamic teaching, sign language bilingual teaching, individual and group learning.	
Assessment of children's learning experiences	
It keeps on observing children's performance and establishes children development portfolios to keep track of their learning outcomes.	

School Characteristics	
School vision and mission	
Establishes a kindergarten in accordance with Bible truth and values, so that God and people would like this school. It provides school-age children and their families with quality Christian education services, and promotes comprehensive quality management, in order to enhance quality of education in the school.	
Support to students	
Reading award scheme, external competitions, sign language bilingual education program, hobby classes, individual learning and referrals, social services.	
Support to non-Chinese speaking (NCS) students	
Received Grant for Support to NCS Students; appoint additional teaching staff / teaching assistants to support NCS students learning Chinese; arrange interpretation / translation services; engage NCS parent volunteers to enhance communication between school and parents; create an enriched language environment for mastery of the Chinese language; create an inclusive learning environment to facilitate students' integration; facilitate professional development for teachers to develop effective strategies to help NCS students learn Chinese.	
Support to students with special needs	
Joining the On-site Pre-school Rehabilitation Services. 64% teachers have received special child care education and obtained relevant certifications. They can aware children with special learning needs and provide strategic advice. Moreover, sign language bilingual integration program is provided to support hearing-impaired students.
