Curriculum Details

Curriculum type : Local

Curriculum planning

Our curriculum is designed according to children's physical and mental development needs and learning interests.

We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.

Learning / Teaching approach & activities

We adopt an activity-based teaching approach and a group learning approach, and extend children's life experiences by arranging visits, small experiments and data collection.

Assessment of children's learning experiences

Through continuous observations, records are kept of children's learning achievements.

School Characteristics

School vision and mission

We firmly believe that we should advise instead of order, and encourage instead of blame.

Support to students

Parents' Meetings for all grades, Adaptive Weeks for new students, Parents' Class Visits, Visit to primary school buildings, different school performances, public events in the community, etc.
