Curriculum Details	
Curriculum type : Local	
Curriculum planning	
<p>Curriculum will be planned in regard to the interest, physical and psychological development of children. The principle of 'child-oriented' is adopted and various learning domains, including Language, Self and Society, Early Mathematics and Science, Physical Fitness and Health, Art are integrated. Religious and moral education, language education and the development of creative thinking are emphasized.</p> <p>We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.</p>	
Learning / Teaching approach & activities	
<p>Individual, group and interactive team activities are organized. Integrated Curriculum and Whole Language Learning Approach are adopted. Children are encouraged to re-write stories and to create children rhymes which has laid down their good foundation of language. Shared Reading Approach and Phonemic Awareness are also adopted which has strengthened the children's English ability, including listening, speaking, reading and writing. In addition, the implementation of Project Learning Approach and Situational Learning has nurtured the spontaneous learning and problem solving skills of children. Their creative thinking are also fostered.</p>	
Assessment of children's learning experiences	
<p>Continuous assessment throughout the school year is adopted. In reference to the age appropriateness of children, the learning progress of each child will be kept in the 'Children Physical and Psychological Development and Learning Record' and 'Individual Learning Portfolio'. Regular individual meetings with parents to discuss the growth and learning plan of children will be conducted annually.</p>	

School Characteristics	
School vision and mission	
<p>School motto: Love each other as I have loved you. To promote the Truth, Love, Righteousness, Freedom and Peace with God's love. To foster the balanced and full development of young children in social, intellectual, physical, moral, spiritual and aesthetic aspects. And to develop young children's initiatives in learning, good communication and collaboration with others, sense of responsibility, full of creativity, ability to solve problems and noble character for the whole person.</p>	
Support to students	
<p>Moral education is emphasized. 'Children Month' and 'Love and Care Campaign' are launched annually in order to develop children's qualities of forgiving, respecting, loving, helping and accepting each other. To facilitate children's adaption to changing environment, mixed age activities, adaption programmes for newly admitted children and preparation to primary school life are organized. In addition, professional teachers are available to provide individual learning curriculum and behavioral guidance for children.</p>	
Support to non-Chinese speaking (NCS) students	
<p>Received Grant for Support to NCS Students; create an enriched language environment for mastery of the Chinese language; create an inclusive learning environment to facilitate students' integration.</p>
