Curriculum Details	
Curriculum type : Local	
Curriculum planning	
<p>Our school offers Picture Book Approach for both Chinese and English. We believe the importance of 'Learning Through Play' and plan our curriculum using the Six Learning Areas according to the Education Bureau. We provide interactive and interesting activities for our students to learn happily through playing. Our quality curriculum and rich language environment provide a unique experience of biliteracy and trilingualism for our students. We place a high value on 'Whole Child Approach' and create 'Charisma Enhancement Programme'. That is, to match with our 5As of 'Attitude, Active-learning, Artistic Sensibility, Advocacy and Adaptability'.</p> <p>We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.</p>	
Learning / Teaching approach & activities	
<p>Our school offers bilingual classes for students to learn English and Cantonese. We aim to encourage students to be confident, responsible and sociable. We believe it is equally important for students to learn both inside and outside the classroom. Hence, we provides outing regularly for students to experience different types of learning. There are distinctive learning areas in our school, such as, Rock Climbing Area and Music Room. Learning continue to develop through our remarkable Amazing Block Wall and Reading Corner. We believe our students learn comfortably and happily by 'observing, exploring, thinking and imagining' that are the essential as stated in 'Kindergarten Education Curriculum Guide'</p>	
Assessment of children's learning experiences	
<p>Our teachers assess students on a continuous observation basis. We provide Learning Assessment Reports and Learning Portfolios for parents to know and understand about their children's learning progress.</p>
